Games pg. 6

We are looking for news
articles and personal
experiences to put in the
monthly newsletter. Please
email them to the club's
email address.

President's Message

Happy New Year Everyone,

I hope you have had a great New Year's Celebration.

It is an honor to be back with you as the 2015 N.U.T.S. Club president. We have a great team of club officers and wagon masters that are committed to making this a great successful year for everyone.

There is some club business information I need to share with you. Ken Webb will be a Co-Vice President along with his wagon master duties. Cheryl Harrison will be our wonderful secretary. We really appreciate her taking on this roll. Also we need to encourage everyone who may be getting the newsletter as a hard copy in the mail to switch over to an email version if possible. The cost of mailing is expensive. Thanks! This month we will be renewing memberships so please be ready to take care of this with Eldon.

We have a great year planned with some amazing speakers. We start out this month with Mr. Doug Nyholm presenting on the Indian Cent. He will be sharing with us the history, identification, grading, and valuation of the cent. I know that many of our members have found an Indian Head Cent or two while out detecting. I know of one member who found ten little Indian Cents at one location. This will be an amazing presentation.

Bob Campbell will be swearing in the club officers this month. We will not be having the finds of the month until March. The club medal design voting will be at the February meeting, so please be working on your great Utah theme design for 2015.

I appreciate everyone's support; please join with me in making 2015 a great and successful year.

See you at the meeting,
Todd Monson

N.U.T.S. MEDAL DESIGN SUBMISSION

NUTS members it is time to submit your designs for the club medal. There is no specific theme required for the medal. Photographs may be used for a design as well as artwork. If a photo is used it needs to be sharp and clear with distinct lines. For example pictures of buildings work well. **Remember permission must be obtained to use copyrighted material.**
